

Welcome HOME

January 2020

Greetings!

From the Mayor

Bermuda Run is a great place to Just Be. When my wife, Sue, and I moved here 12 years ago, it was for the convenience, the resources, and most of all its wonderful “small town” charm. Our attachment to our town has grown as we have immersed ourselves into the community. It’s clear Bermuda Run continues to be a popular choice for young people, families, and retirees.

In this issue, we are inviting you to get to know our Bermuda Run Town Council Members. We want everyone learn a few things about those working on your behalf to make Bermuda Run town such a wonderful place.

The Council and Staff just met for our Annual Planning Session, and we came away energized by the thoughts and plans for the year (and beyond!). With our town’s Comprehensive Plan as my guide, I look forward to the future, and you can count on me to actively engage you for your ideas across a variety of things. In the meantime, please feel free to give me a call (336-391-1992), or send me an email (rcross@townofbr.com).

Information gathered through the Census serves as the foundation for a system of elective government, as the means for informed decision-making by businesses, city planners, non-profit organizations and individual Americans.

Please remember to do your part, and stand up to be counted! Our future depends on it.
