## Message from Mayor Rick Cross

These are remarkable and challenging times.

Although we are feeling uncertain about what tomorrow may bring and how our lives might be affected in the future, it is during times like this that we are reminded of what is most important.

This year, Easter celebrations will look a lot different as we're faced with spending more time at home under social distancing rules to help combat the spread of COVID-19.

Easter is a religious time for many people in our community. It is wonderful to see churches preparing by embracing new ways of worshiping. To adhere to social distancing guidelines, many have shifted services online in time for Easter.

I am heartened by the many stories of kindness, resilience, and commitment across our community. For all those who are looking out for neighbors, continuing to buy from local businesses, and contributing to local agencies in need, I want to say 'Thank You'.

It's also been wonderful to see neighborhoods uniting together in a 'bear hunt' with so many teddy bears, various (social distanced) parades across our neighborhoods, and many 'Happy Birthday' signs placed in yards as a welcome distraction during a time when daily routines have changed for both children and adults.

I know that many of our local businesses are hurting. We must continue to support them to ensure that, when this crisis is over, people can continue to work, live and thrive in our wonderful community.

Together we can each do our bit to look out for each other.

I would like to wish everyone a Happy Easter.

Take care and stay well.

Rick Cross
