Mayor's Message

First, a bit of town business. On June 9, our Town Council approved the town's 2020-2021 budget. Thanks to Town Manager, Lee Rollins, for his work in developing this year's budget. Also, during that meeting, we had a virtual session with the [Davie Community Foundation](#) Board to exchange ideas on future priorities for DCF. This productive discussion allowed our Council members to provide perspective on behalf of Bermuda Run. We are appreciative for the opportunity to give input to this very important organization in our community. Also, a big thanks to WinMock for opening their facility to us for our meeting. This allowed for the needed social-distancing, as well as facilitating our virtual session with DCF.

As we approach the July 4th weekend during these extraordinary times, I wanted to take a moment to reflect that this year's holiday will look markedly different - no public fireworks displays, no large gatherings, and very scaled-back pool parties. As we have all needed to do over these past several months, we will have the opportunity to celebrate this holiday in new ways.

As I have stated before, we are in uncharted times. Our town - our community - is committed to responding to the evolving needs for dealing with COVID-19. I ask that we persevere in looking out for each other - our family, friends, and neighbors; in supporting our local businesses who have been there for us; and in considering how we can be there for the organizations across our community that have tirelessly worked on behalf of those most

in need.

North Carolina Department of Health & Human Services (NCDHHS) and Davie County Health Department continues to encourage adherence to the 3 "W"s. I know we have stated this a number of times, and it bears reinforcing. As the numbers of positive COVID-19 cases continues to increase across the nation, state, and Davie County, each of us can do our part to make a positive difference.

Wear a face-covering if you will be with other people (state-wide requirement).

Wait at least 6 feet apart. Avoid close contact.

Wash your hands often with soap and water for at least 20 seconds or use hand sanitizer.

I look forward to the time when we can again gather as a community. In the meantime, I will continue to reach out across our town, and appreciate those from whom I have heard. I want to hear from you.

You can reach me at rcross@townofbr.com or 336-391-1992.

No matter how you are planning to celebrate, please have a safe and happy July 4th Holiday weekend.

We are in this together and together we will emerge stronger.

Pedestrian Bridge Installation

The Contractor for the I-40 Project at the Davie-

Forsyth County Line is scheduled to close both directions of I-40 between NC 801 (Exit 180) and Harper Road (Exit 182) during the overnight hours of Friday, July 10th into Saturday, July 11th.

On Friday, July 10th, the contractor will begin installing lane closures on I-40 at 6:00 PM and a full road closure of I-40 will be installed beginning at 11:00 PM. Detours will be utilized for this road closure with all I-40 Eastbound traffic exiting at NC 801 (Exit 180) and all I-40 Westbound traffic exiting at Harper Road (Exit 182).

Detoured traffic will use NC 801, US 158, and Harper Road. All lanes of I-40 are expected to be reopened to traffic by 7:00 AM Saturday, July 11th. This closure is required for the contractor to safely set the new pedestrian bridge over I-40. As always, this work is weather- dependent and may be subject to change.
