Message from Mayor Rick Cross

I hope everyone had an enjoyable Thanksgiving holiday, a time to pause, reflect, and consider what we are thankful for - regardless of what is going on in the moment.

Last year, our town held its first annual Bermuda Run Community Christmas Tree Lighting atop our own Davie Medical Center. As you may remember, this effort was led by the "tree-o" of Rosanne Peacock, Sharon Reid, and Christy Schafer. That was the start of something very special for our community, and they assured us that this was just the beginning. Sure enough, they have once again been tireless in leading the effort to create a special event for our community. An event that will be the beginning of a tradition for our town.

Once again this year, we will begin things with our "Light up the Night" tree lighting atop Davie Medical Center. This will be a virtual event. See the information in this newsletter for more details on how you can be involved in this very worthwhile event for our community.

This year's BIG event will be our *Christmas in the Town of Bermuda Run*

festivities on Sunday, December 5, from 2:00 - 5:00pm around the Gazebo in Town Square. Our "tree-o" and many volunteers are putting together a wonderful event that will have something for everyone.

Proudly, this has truly been a community led effort - with resident volunteers from across our entire town offering their time and talents, and our many generous businesses and community organizations providing donations and services to help bring this event to life. It is through them that we will begin the tradition of Christmas in the Town of Bermuda Run.

As you make plans for this weekend, I hope you will plan to be there with your friends and neighbors on Sunday afternoon. And bring others with you. The more the merrier! I look forward to seeing everyone there.

Finally, as we move through this holiday season I am mindful of the special community in which we live. I am thankful for this, and am appreciative for the many kind, generous, and caring people we call neighbors.

As always, I want to hear from you, and appreciate those from whom I have heard. You can reach me at rcross@townofbr.com or 336-391-1992.

I hope to see you on Sunday the 5th.

Rick Cross
