Dear Town of Bermuda Run Resident,

The Town of Bermuda Run recently began the process of updating our community's Comprehensive Plan. The Comprehensive Plan, which was last updated in 2017, sets goals and provides strategies for the character and identity of the Town, economic development, land use, infrastructure, and public services.

As we update the Plan, the Town wants to hear from you!
Please participate by taking the survey at our Comprehensive Plan website: www.Plan4BR.com.

Deadline to complete the survey is April 10, 2022.

Also, while you're on the site, take a look through the information, which includes the overall process for this update, our previous Comprehensive Plans, and schedules for upcoming opportunities to be involved and provide input.

For those who do not have internet access, or would prefer to complete the survey in writing, you can obtain a paper copy of the survey from Town Hall, which is located at 120 Kinderton Blvd, Suite 100.

Finally, please save the date for a public drop-in meeting which will be held on Wednesday, May 25 from noon until 7:00pm at the Granary at Winmock.

Sincerely,
Rick Cross
Mayor
