Message from Mayor Mike Brannon

As I travel our Town, it is clear that spring has arrived with blooming tulips, blossoming trees and the annual dusting of pollen that covers our newly washed vehicles! Regardless, it is still great that our temperatures are warming and many of us will be spending more time outdoors enjoying the beauty throughout the communities of our Town.

It was an honor once again this year to participate in the Opening Ceremony of our 32nd Davie County Senior Games at RISE Indoor Sports. Whether you are participating in one or more of these sporting events or simply watching our seniors play in the many events being held across our county, I want to again thank Davie County Senior Services for their work to coordinate these games. As I noted in last month's message, we were able to open our second phase of

the Blue Heron Trail which included the long-awaited opening of the I-40 pedestrian bridge. As I mentioned in my remarks at the ribbon cutting ceremony, the Town leaders of today owe a huge thanks to previous Town leaders who helped create the vision that made that project a success.

I also want to again thank Ken Bingham and Sally McGuire of Hillsdale Group as well as Scott Wollaston of NC Fusion for their generosity and partnership in helping make possible that new phase of our trail. This public-private partnership is especially rewarding for all of us as it shows the commitment these business leaders have to our Town.

In late March, the Town Council held its annual Planning Session. This session covered several topics including a visioning session for the future of our Town, early budget planning, and a review of our progress on the many strategies and objectives you helped define in our 2023 Comprehensive Plan. It is my goal to share with you an update on this progress in an upcoming Town Council meeting.

I am also pleased to announce that we have set the date for our flag raising ceremony at the Flags at the Blue Heron Trail. As reminder, this flag plaza is located adjacent to the US Hwy 158 roundabout—directly in front of WinMock. Please join us on **Tuesday, April 22 at 11:30 am** for this special event. We hope to have local and county representatives as well as military participation in this special event.

For those of you who would like to purchase engraved pavers for the flag plaza, please reach out to the Town for an application. The Town will bundle these requests and periodically submit orders for the engraving and installation.

Thank you again to the presidents of our various HOAs who have asked me to come speak at your community meetings. These meetings give me a chance to share Town information and allows me to answer your various questions regarding Town matters.

As a reminder, our monthly Town Council meetings are recorded and are available on the Town's website. I look forward to connecting with you in person, by phone, or via email. Please reach out to me if you would like me to speak at your small group gatherings or at any organized events. I am happy to share town news, answer questions, and certainly listen to your ideas or concerns. You can reach me by email mbrannon@townofbr.com or by phone 336-775-7633.

Mike

Golf Cart Safety - Reminder from our Community Officer

With warmer weather, more people are getting outside. Often, Bermuda Run residents drive their personal golf carts when going place to place.

It is important to keep safety in mind when driving a golf cart. Over 13,000 golf cart-related accidents occur annually that require emergency room visits. Some of those accidents result in fatalities. Over 40% of those accidents involve underage drivers (under age 16). By law, in North Carolina, the driver of a golf cart on a public road must also be a licensed driver.

All roads in the town, including the neighborhoods of Bermuda Run, Bermuda Run West, and Kinderton Village are subject to these laws. Please be mindful of this as we patrol throughout our neighborhoods. We all want our residents to have an enjoyable and safe spring and summer.

With the addition of the Blue Heron Trail, it is important to remember that golf carts and other motorized vehicles are not allowed on the trail for the safety of others. Also, it is the responsibility of both the walkers/runners/bikers, and vehicle drivers to look both ways at crosswalks.
